

2nd Wildlife Photography Tour
Pokharan, Rajasthan
1st – 4th January, 2020

We are pleased to announce our next wildlife photography venture. Yes, our next event is happening at Pokharan, Rajasthan.

About the Area: Pokharan is a small town, located at western Rajasthan. It is known for India's first ever nuclear weapon testing site. Despite of that, Pokharan has many small water bodies and typical semi-arid grasslands, which are full of avian diversity and other wildlife as it touches the Thar Desert. This area has a very high wildlife potential. So, be ready to witness and capture the wildlife in that area. The area has plenty of wildlife to explore, record and photograph. This area will offer you an ample opportunities to witness the typical that landscape wildlife.

Offered seats: Only 8 seats are there for the whole tour. As it a wildlife photography tour, seats are limited and will be registered on first come, first serve basis.

Come and join our wildlife venture on the very first day New Year beginning.

What we will be able to witness and photograph:

- Great Indian Bustard
- Houbara Bustard
- Demoiselle Crane
- Cream Coloured Courser
- Vultures (Possibly 5-6 species)
- Trumpeter Finch
- Greater Hoopoe Lark
- Steppe Eagle
- Greater Spotted Eagle
- Tawny Eagle
- Short-toed Snake Eagle
- Laggar Falcon
- Common Kestrel
- Chestnut-bellied Sangrouse
- Water Rail
- Desert Cat
- Desert Fox
- Indian Fox
- Chinkara
- Indian Hare
- Locust
- Baillon's Crake

How to Travel: Reach up to Pokharan Railway Station/ Bus Station by your own. From there pick up and drop up facility will be provided.

Accommodation and Food:

Our venue (Hotel) is located at Pokharan – Jaisalmer National Highway.

- Accommodation is on twin sharing base.
